

## Code of Conduct for External Agencies for Sports & the Arts

### Policy Statement

St. Patrick's De La Salle BNS is fully committed to safeguarding the well-being of its pupils. Every individual in the school community should, at all times, show respect and understanding for the rights, safety and welfare of others and conduct themselves in a way that reflects the principles of the school.

This policy covers sports, drama, dance, music and extra-curricular activities facilitated by one or more representatives of outside agencies such as clubs, societies or other organisations operating on a local, regional or national basis.

### Code of Conduct

The guidance given in this code of conduct is based on good practice developed through experience in the school and principles set out in the following publications:

- ♦ *Children First - National Guidelines for the Protection and Welfare of Children* (Government of Ireland) 1999 and the new guidelines of 2011
- ♦ DES Circular 65/2011 - Child Protection Procedures for Primary and Post-Primary Schools
- ♦ *Pastoral Care in Schools – Child Protection* (DENI) 1999
- ♦ Irish Basketball Association's *Code of Practice for Children in Sport*, 2000

The aim of this code is to promote best practice in providing *extra-curricular activities* and to offer a safe, healthy, enjoyable environment for such activities in AN Other School.

### Guidelines for Teachers

- ♦ In advance of the visit, the teacher should speak to the class to remind them of their behaviour while the visitor is with the class i.e.
  - Listening to and following all instructions.
  - No unsafe actions/activities
  - Seek permission to go to the toilet
  - Be mannerly
  - If a child has a concern regarding the lesson, she/he speaks to the teacher.
- ♦ Bring the class to the hall/yard/field and again remind them of the expected behaviour
- ♦ Inform the visitor that it is school policy for a member of the teaching staff to remain with anyone who visits the school to speak to or work with a class or group
- ♦ When the lesson is over, check with the visitor to see if he/she has any comments or concerns about the class
- ♦ On occasion it may be necessary for the class teacher to intervene in a lesson if you feel that there are issues regarding "Health and Safety" (unsafe exercises/games/equipment.....).

### **Integrity in relationships:**

There is a danger that sporting and other educational contexts can be used to exploit or undermine children. All adult actions in such contexts should be guided by what is best for the child. Verbal, physical, emotional or sexual abuse of any kind is entirely unacceptable.

### **Fair Play:**

All children's sport should be conducted in an atmosphere of fair play. AN Other School endorses the Council of Europe definition of fair play as:

*"much more than playing within the rules. It incorporates the concepts of friendship, respect for others and always playing with the right spirit. It incorporates issues concerned with the elimination of opportunities, excessive commercialisation and corruption."*

A similar spirit should be observed in non-sporting extension activities.

### **Atmosphere and ethos:**

Children's sport should be conducted in a safe, positive and encouraging atmosphere. A child-centred ethos will be observed to ensure that competition and specialisation are kept in their appropriate place. Inter-agency competition for the involvement of children is inevitable but will not be tolerated where it interferes with this atmosphere.

### **Equality:**

All children will be treated in an equitable and fair manner regardless of age, ability, sex, religion, social and ethnic background or political persuasion.

Children with disability will be involved in all extension activities in an integrated way, allowing them to participate to their potential alongside other children.

Adults interacting with children in sport should do so with integrity and respect for children in their care. They have an overall responsibility to take the steps necessary to ensure that positive and healthy experiences are provided in the context of quality, open working relationships.

### **All pupils are entitled to:**

- ◆ Be treated with dignity and respect
- ◆ Be safe and to feel safe
- ◆ To get help against bullies
- ◆ To say No
- ◆ To be listened to
- ◆ To be believed.
- ◆ To protect their own bodies
- ◆ To refuse inappropriate touches
